Re: Candlelight Vigil.

July 31st, 2003.

Dear Mr. Commisiong,

On behalf of the Management and Staff of Chickmont Foods and the National Forum Against Domestic Violence we wish to thank you for your assistance and support for the recently held Candlelight Vigil in memory of Sindy Prescod.

The support given by your organization helped tremendously in creating a very special event and in creating awareness for an important cause. All those who were involved and who attended were especially grateful for your contribution.

Yours Sincerely,

Edward Albecker.
General Manager.
