Dear Mr. Commissiong,

We should like to take this opportunity to express our sincere thanks for your generous support of **The Rennie Project**®.

Your provision of sound equipment and personnel, at substantially reduced rates, for the live performances at the various primary schools selected for participation in the project tremendously enhanced our ability to successfully implement the Pilot Phase of the programme.

Please find enclosed our cheque MB/00159 in the amount of \$2,587.50 as per your invoice #3699.

Yours sincerely,
