Dear Mr. Comissong,

Re : Cattlestock V

We write to inform you that due to several different reasons we are unable to hold Cattlestock for 2004. We know that you have supported us through the years and are hoping that if we decide to have it next year, we will again be able to count on your support.

We take this opportunity to let you know that we donated \$42,000.00 to the Challenor School from Cattlestock IV held in July 2003.

Yours sincerely,

James L. J. Tasker
