Dear Mr. Comissiong,

On behalf of the Board of Directors of the MS Society of Barbados, the general membership of the organization, friends and family of those affected with MS, we wish to thank you for assisting us in realizing this year's Week of Activities; *Life worth Living with MS – Taking Control with Family and Friends*. In particular, we thank you for the special discount price you gave us for use of your public address system.

Acts of kindness such as this highlight qualities of sharing and caring that too often are neglected in a world where the corporate quest to maximize profit is paramount. It reminds us though that there is still hope and that silent heroes like yourself are still present amongst us. Ms. Ann Shepherd of Grand Barbados Hotel spoke highly of you and you did not disappoint.

The MS Society wish you and the entire team at Elite Sound System all the best in your future endeavors. Any opportunity for collaboration in the future will be given top priority. We thank you for opening your heart to the MS Society and we look forward to your continued support in the coming years.

Yours sincerely,
