Dear Sir/~~Madam~~

The **Young Lions Community Group** extends special thanks and appreciation to you/your organization, for the assistance and valuable contribution in making their participation in the St Philip Carnival a reality.

We were able to provide the avenue for approximately 250 young adults to expend their energies in a clean, friendly and violence free environment.

We look forward to your continued support in any of our future community ventures and would also like to take this opportunity to wish you/your organization prosperity in the year 2001.

Yours faithfully

**Ronald Brathwaite**
