Dear Mr Commissiong

The Voice of Barbados, VOB 92.9 FM switch held at Queens Park on March 28, 1999 was an overwhelming success.

Your participation in this event and the success enjoyed during the smooth execution cannot be emphasised enough. Your untiring effort before the event, your patience, and the professional manner in which you conducted yourself in the carrying out of the function was indeed the catalyst need for success.

VOB 92.9 FM would therefore like to formally thank you for your presence and participation. Any new thrust which may at some time be needed to further catapult VOB, you can be assured that your most able help will be solicited.

Once again, thank you, God's richest blessing in all future endeavours on your part, and always remember, you have a friend in VOB 92.9 FM - Everywhere.

Yours sincerely
